# **RANKING FRAMEWORK**

## **1 TEACHING LEARNING**

### **1.2. Curriculum Planning and Implementation**

#### **1.2.1. Teaching Schedule**

##### **Response: Followed 100%**

Government Degree College Kaffota ensures systematic and effective curriculum planning and implementation in alignment with the academic calendar of the affiliating university (Himachal Pradesh University, Shimla) and UGC guidelines.

##### **i. Academic Calendar**

The college prepares a comprehensive Academic Calendar at the beginning of each academic session through a structured process involving the College Advisory Committee, IQAC, and inputs from all departments. This calendar is synchronised with the University Academic Calendar and incorporates tentative schedules for curricular, co-curricular, and extracurricular activities, including commencement of classes, internal assessments, vacations, and university examinations.

The Academic Calendar is published in the College Prospectus/Handbook and uploaded on the college website for easy access by stakeholders. It serves as a guiding framework for timely curriculum delivery and evaluation.

In rare cases requiring adjustment (e.g., due to unforeseen circumstances), decisions are taken collectively by the Principal in consultation with the Advisory Committee and IQAC.

##### **ii. Timetable**

The Timetable Committee, constituted annually, prepares a master timetable adhering to UGC workload norms and programmatic requirements. Department-wise and class-wise timetables are drafted in consultation with HoDs, ensuring equitable distribution of classes based on faculty specialisation and student strength.

Individual teacher timetables are finalised and formally notified after approval. The approved timetable is displayed on the college website, notice boards, and shared with all concerned. It is treated as binding, and any changes require prior approval from the Timetable Committee and Principal.

Regular monitoring of syllabus coverage is undertaken through departmental meetings, where progress is reviewed, and remedial measures are initiated if required. Feedback from students and faculty on timetable effectiveness and curriculum delivery is periodically collected and addressed to ensure smooth implementation.
