RANKING FRAMEWORK

1 TEACHING LEARNING

1.3. Add-on Courses/ Certificate Course

1.3.2. Number of Add-on Courses

Response: Percentage of students benefitted > 50% (Score = 10)

More than 50% of the students have benefitted from the add-on course in Entrepreneurship Incubation. This course provides valuable exposure to entrepreneurial concepts, business planning, and innovation, enabling students to develop practical skills beyond the traditional curriculum.

The institution actively encourages student participation in this course, promoting self-learning and creativity. Through Entrepreneurship Incubation, students gain insights into starting and managing ventures, enhancing their confidence, problem-solving abilities, and employability. This initiative reflects the college's commitment to fostering an entrepreneurial mindset and supporting holistic student development.
