RANKING FRAMEWORK

2. STUDENT SUPPORT, SERVICES AND PROGRESSION

2.8. Mentor-Mentee Groups

2.8.1. Sessions conducted per group of students

Response: 4 and more session

The Mentor- mentee system has ensured individual attention to the students by the teachers.

i. Mentoring Policy

All teachers shall be mentors of some classes every year. The collective and individual one-to-one mentoring has resulted into a strong bond of trust between teacher and taught. The mentor-mentee system enables the female students to interact with the faculty and find solutions. Personal problems are kept confidential leading to building up of trust between mentor and mentee.

ii. Mentor-Mentee Coordinator

The Mentor-Mentee System is managed and coordinated by the Mentor-Mentee Coordinator. The Mentor-Mentee lists are prepared by the Mentor-Mentee Coordinator and the lists (one list sorted mentor-wise and the other list sorted mentee-wise) is displayed on the college website, notice board and the WhatsApp groups.

iii. Responsibilities and Activities of a Mentor

The IQAC has proposed a few among the many activities having far reaching consequences that a mentor can do.

- Advise the mentees both individually and collectively on academic, career, personal and financial decision-making.
- Ensure that the mentoring process facilitates cognitive, social, and emotional growth of the mentees.
- Do necessary follow-up on the assigned tasks to the students.
- Encourage students to participate in co-curricular and extra-curricular activities.
- Inculcate soft skills, life skills and employability skills to make the mentee fit for the global market.

- Identify the strengths of the mentees and motivate them with the right level of challenges.
- Identify the weaknesses of the mentees and help in overcoming them.
- Make efforts to engage students in the monitoring, review, and continuous quality improvement of the teaching-learning process.
- Mentors have to ensure that each student has a fair idea about the syllabus, Program Outcomes, Program Specific Outcomes and Course Outcomes of all their respective courses and programs.
- Make the mentees aware of the multiple opportunities provided by the institution towards their learning and growth.
- Take active interest in promoting internship, student exchange, field visit opportunities for students.
- Encourage mentees to join at least one of the clubs of the college and help them to identify their tastes and talents.
- Collect observations and suggestions from mentees for improving the overall teaching-learning experience in our institution.
- Encourage each mentee to engage in some socially useful productive activities.
- The mentors should have sympathetic approach to sensitive issues and should be able to maintain confidentiality. The mentors should keep a confidential record of personal interaction with their mentees.
- Ensure availability of the mentoring as per urgency of the need of mentees.
