Government Degree College Kaffota is committed to creating an inclusive and accessible environment for all students, including those with special needs. The college has implemented several facilities to ensure that specially abled students can navigate the campus and participate in academic activities with ease and dignity.

The campus is equipped with ramps at key entry points and buildings, ensuring smooth access to classrooms, and administrative offices for specially-abled students. These ramps are designed to be wheelchair-friendly, facilitating movement across different areas of the campus. Wheelchairs are available on request for students who may need assistance with mobility. The support railing has been provided at various places across the college building.
