# RANKING FRAMEWORK

## 4. INSTITUTIONAL MANAGEMENT

# 4.3. Management of Institutional Funds

#### 4.3.2. Periodic audit

#### Response: Yes

The institution is fully owned and administered by the Department of Higher Education, Government of Himachal Pradesh. The major sources of finance for the college are budgetary support from the State Government, grants, and special funds from UGC, RUSA and support from its stakeholders like PTA and Alumni.

The effective and efficient use of available financial resources of the college is ensured through a proper system adopted by the college. The funds received are properly allocated and distributed for the meant purpose and utmost care is taken that they are properly utilized. For all the expenditures and purchases, an established procedure is followed as per the rules and procedures mentioned in the Himachal Pradesh Financial Rules (HPFR), 2009. All these funds are subject to strict auditing.

The main objectives of audit are:

- To determine the accuracy and completeness of accounting records of the Institute.
- To assess that financial records are prepared in accordance with the applicable accounting framework.
- The accounting statement presents the financial status of the Institute.

#### i. Statutory Audits

Being a government institution, funds such as staff salary, medical reimbursement, travelling expenses, office expenses etc. disbursed through government treasury (Himkosh) are audited by the Indian Audit and accounts Department, Principal Accountant General (Audit) Himachal Pradesh Shimla.

A team constituted by AGHP Shimla works on behalf of AGHP and generate audit reports. The audit is conducted as per audit mandate laid down in the constitution of India, DPC act {The Comptroller and Auditor General's (Duties Powers and Conditions of Service) Amendment Act, 1971} and specific legislations enacted over time by the Parliament and State Legislature. The Prerequisites for functioning are:

Independence

- Accountability and Transparency
- Ethics
- Quality Assurance

The service records are also audited by both AG office.

## ii. Local Audit Department Himachal Pradesh

The audit of various college funds is conducted through Local Audit Department (LAD), Ministry of Finance, Government of Himachal Pradesh.

#### iii. External Professional (CA) Audit

External Professional (CA) Audit is conducted once in every year after the completion of financial year by the independent Chartered accountant appointed by the principal. External audits are conducted separately for grants like RUSA, UGC, NSS, and other grants received for specific purposes. An audit report certifying the financial status of the college duly signed by the CA and Principal is received once the audit is completed.

The NSS units get financial assistance from the university for conducting Seven Day camp. The expenses of the NSS units are audited by the Chartered Accountants as instructed by the University.

The work audit of the allocated funds under RUSA scheme are done by State Project Director ashtriya Uchchatar Shiksha Abhiyan (SPD-RUSA) team from Directorate of Higher Education, Government of Himachal Pradesh Shimla. However, no such has been received by the college till now.

#### iv. Audit of PTA and Alumni

The Parent Teacher Association (PTA) and the Alumni Association accounts are audited by an internal committee of two/three internal auditors elected by the General Body. The audit reports are thereafter approved in the General House.

#### v. Internal Financial Audit

There are different cashbooks for nearly 14 different funds. Cash books and account books are also thoroughly checked by the bursar or the respective coordinator(s). Principal of the college himself verifies all the entries while putting his signatures on the financial books.

#### vi. Internal Physical Audit

There is a healthy system of internal physical auditing in the college. The stock verification of the assets of the institution is done every year, conveniently in March. Internal physical audit is performed by the committees consisting of the staff who do not belong to the same department.

#### vii. Audit Findings

The audit report is drafted and presented by the auditor on the last day of the audit, from the material available in the rough sheets and audit memos. The draft report is discussed with the head of the institution and accounts personnel. The report comprises of significant audit findings and other incidental findings related to regularity and propriety aspects. This report also pronounces the progress of settlement of audit findings outstanding from the previous inspection report and lists out the findings that continue to be outstanding. Departmental action is instigated in instances of infringement.

#### viii. Settling of Audit Objections

Although utmost care is taken to prepare the accounts, sometimes audit objections may arise. In such cases, the institution takes necessary measures to rectify them. If any excess amount is found to have been claimed, the party concerned is contacted and asked to refund the same. Right now, no audit objection is pending to be settled on behalf of College towards AGHP audit. No major audit objections have been raised and recorded. The audit objections have been removed or are in the process of removal.

#### ix. Integration of suggestions from auditors

During audits, specific suggestions in procedures for maintenance of stock, rectification in procedural errors etc. may be given for incorporation.

All these mechanisms exhibit the transparency being maintained in financial matters and adherence to financial discipline to avoid defalcation of funds or properties of the institution at all levels.
