RANKING FRAMEWORK

4. INSTITUTIONAL MANAGEMENT

4.5. Green and Clean Campus

4.5.2. Cleanliness in washroom, buildings/ campus

Response: Excellent

Given the relatively low student enrolment, the college is able to maintain high standards of cleanliness across campus facilities, including washrooms and buildings. Although the government has not appointed any janitorial staff, the college proactively utilizes PTA (Parent-Teacher Association) funds to employ a dedicated sweeper. This individual ensures that the campus remains clean, well-maintained, and conducive to a healthy learning environment.

Nevertheless, the college emphasizes the pressing need for government-appointed sweepers in all state educational institutions to ensure consistent upkeep and sanitation standards across campuses.
